

The following Notice to Mariners is published for general information

Australia – Victoria

No. 293 (T) - 2026

PORT OF MELBOURNE APPLETON DOCK F BERTH REMEDIATION WORKS

Date: 5 June 2026

Refers: NtM 299 (T) – 24 and is hereby cancelled

Details: Mariners are advised of upcoming chainage restrictions due to take effect at **Appleton Dock berth F** due to planned remediation works, commencing from **0700 hrs on 9 June 2026** until further notice.

Appleton Dock berth F will not be available for commercial vessels (SOLAS) between chainage **730 m to 1003 m** during remediation works.

For vessels berthing at Appleton Dock between chainage **0 m to 730 m**, the eastern most bollard on the berth available for mooring during works is located at chainage **742 m**.

Works, involving under wharf works from a work boat, will be conducted **Monday to Friday 0700 hrs to 1700 hrs**.

The following applies **for works**:

1. **30 minutes** prior to a **commercial vessel (SOLAS)**, including the bunker vessel, arriving at Appleton Dock within 50 m of works, **under wharf works to cease**
2. No **hot works** will take place when **bunkering** is being conducted at Appleton Dock

Restrictions for **domestic commercial vessels** and **recreational vessels** during **works**:

- **Minimum wake and wash**
- **Minimum passing distance of 50 m**

Vessels supporting works can be contacted on VHF Channel 12.

Mariners are advised to navigate with additional caution in the vicinity of Appleton Dock berth F during works.

For further information, please email the Navigation Services department at NavigationServices@ports.vic.gov.au or contact Melbourne VTS on 9644 9700 / VHF Channel 12.
